## INDUSTRY AWARDS NOMINATION FORM

The RNA Industry Awards are designed to raise the profile of romance writing by highlighting the hard work and talent of any person, group or organisation who has championed the genre in a positive and professional way.

Entries for the RNA Industry Awards will be judged by a panel of industry insiders and RNA member representatives and a shortlist will be published in the Autumn issue of Romance Matters. Winners will be announced and presented at the Winter Party on Wednesday 16<sup>th</sup> November 2016 at the Royal Over-Seas League.

To make a nomination, please complete this form (taking into account the criteria for each category) and return to [romancematters@romanticnovelistsassociation.org](mailto:romancematters@romanticnovelistsassociation.org) no later than **Wednesday 31<sup>st</sup> August 2016.**

### AWARD CATEGORIES

Please tick the category/categories you wish to nominate and list your reason(s) in the large box on the next page.

#### **Romantic Bookseller of the Year**

*For a bookseller, who has been recognised by RNA members for promoting and championing romantic fiction in a positive and proactive way throughout the year.*

#### **Best Adaptation of a Romantic Novel**

*For the best adaptation of a romantic novel, whether stage, screen (TV or movie) or radio, having been broadcast/screened at any time and for any duration from September 2015 through to August 2016.*

#### **Media Star of the Year**

*For a journalist, blogger, PR, TV or radio presenter – in fact anyone in the media who has helped raise the profile of romance writing and/or the RNA in a positive way.*

#### **Agent of the Year**

*For a literary agent who has striven to support, mentor, nurture and promote their authors' careers, the genre in general and the RNA in particular.*

#### **Publisher of the Year**

*For a publisher who embraces the genre, mentors writers to produce the best work they can and is innovative, creative and visionary in the marketing and promotion of romantic fiction on every level.*
